is a unique venture to help raise funds for Cornwall Hospice Care

The concept of a gallery within the existing Cornwall Hospice Care shop came from the manager Amanda Holdgate, who has been exhibiting her own work locally for a number of years, including at Helston Museum, The Net Loft, Porthleven and in various restaurants throughout Cornwall.

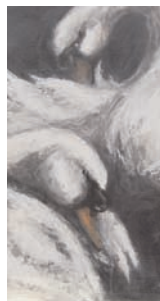

Working mainly in acrylics and soft pastels, Amanda describes her own style as vibrant, bright, and colourful reflecting her own moods and the local environment.

A new exhibition is held every two weeks in the

show casing some of Cornwall's best talent – both established artists and newcomers.

## Cornwall Hospice Care

Caring for our community

Registered Charity No. 1113140

This independent charity provides specialist palliative care to patients with life threatening conditions and gives support to their family and carers. The service is provided free of charge, although the organisation relies heavily on financial and voluntary support from the general public.

It costs around £5 million annually to provide these vital services to the community of Cornwall – that equates to £9.50 a minute.

With so little funding from the NHS the charity has to raise nearly 85 pence in every £ from voluntary sources.
