

Make a Will Week 10th -14th May 2010

During Make a Will Week, participating solicitors are giving their time to write or update standard Wills in return for a donation to Cornwall Hospice Care. Every donation will support the work of both of our hospices. Suggested donations are £75 for a Single Will, £110 for a pair of Mirror Wills and £40 for a Codicil to update an existing Will.

Should your Will require specialist legal or tax advice and not be a standard document, the solicitor will make you aware of this and agree a fee with you before proceeding. There is no obligation to include Cornwall Hospice Care in your Will, but should you choose to we would be very grateful.

Last year, Make a Will Week raised over £28,000. So why not take this opportunity to have your Will written and support your local hospice at the same time? Contact any of the following solicitors to make a Will Week appointment:
